

# PLAY TAB / SYNC PLAY

The image shows a digital audio workstation (DAW) interface with several tracks and a master track. Annotations with arrows point to various UI elements:

- SYNCPLAY**: A yellow button at the top left.
- CANVAS LENGTH**: Points to a '16' label above the tracks.
- DROP YOUR LOOPS HERE**: Points to the central area of the tracks.
- PLAY TAB**: Points to a piano keyboard icon.
- FX TAB**: Points to a mixer icon.
- SETTINGS & PRESETS**: Points to a gear icon.
- TRIGGER KEY (MIDI)**: Points to a yellow 'x' icon on the master track.
- GAIN**: Points to a slider on the master track.
- PITCH**: Points to a vertical bar icon on the master track.
- BIPOLAR FILTER**: Points to a vertical bar icon on the master track.
- SEND DELAY AMOUNT**: Points to a slider on the master track.
- SEND REVERB AMOUNT**: Points to a slider on the master track.
- CLICK OUR LOGO FOR DARK MODE**: Points to a '16' label on the master track.
- ADJUST TRACK SPEED**: Points to a slider on the master track.
- ATTACK & RELEASE**: Points to a vertical bar icon on the master track.
- DETAILED TRACK SETTINGS**: Points to a gear icon on the master track.

The tracks are labeled C3, C#3, D3, D#3, E3, and F3. Each track has a gain slider, a vertical bar icon, and a waveform display. The master track is labeled '16' and has a delete icon, gain slider, bipolar filter icon, send delay slider, send reverb slider, speed slider, and settings gear icon.
